**The Summit Where Distillery &
Ethanol Future Is Being Built**

ABOUT THE ORGANISER & THE SUMMIT

Established in 1983, UP Distillers' Association (UPDA) is one of India's leading Industry bodies representing the Distillery and Ethanol sector in Uttar Pradesh with more than 100 operating Distilleries and over 20 new projects expected to come up in the near future. With an annual production of over 110 million cases of Branded Country Liquor, truly igniting the spirit of the region. As active participant in the UP Liquor Growth story, UPDA stand tall with unwavering dedication to quality and Innovation. Over the years, UPDA has actively contributed towards policy advocacy, technology adoption, sustainability initiatives and the growth of India's Ethanol and Biofuel ecosystem, while fostering collaboration between Industry, Government, Research Institutions and Global Stakeholders.

Building on this strong Industry legacy, the UPDA NextGen Distillery Summit has emerged as a premier platform for Industry dialogue, technology showcase and business networking. The Summit brings together Distillery Leaders, Ethanol Producers, Technology Providers, Policymakers and Industry Experts to discuss innovation, market opportunities, sustainability and the future growth of the Distillery and Ethanol sector.
